

THE FARMHOUSE

Food From Farmhouses all over the world

The Farmhouse Coffee Shop opened its doors on the 11th of October 2004. The building itself strongly reminds of a farmhouse and being surrounded by shadow trees, reveals a restful and farmy look.

Two trees were also planted at the rear entrance of the Coffee Shop, their names being Wilhelmina and Jacoba. "THE FARMHOUSE" has the name that spoke to the original owners, Christo and Lizette Franken, and the theme was taken throughout the whole business.

CHOOSE ONE OF THE PREMIUM BLENDS FROM TRUTH ROASTING COMPANY:

RESURRECTION BLEND

Brazil / Ethiopia / Guatemala / India

Designed to be poured on an espresso machine, it stands boldly as an espresso but its real secret is the flavour to cut through milk. Caramel, nutty, chocolatey deliciousness.

BLACK HONEY BLEND

Nicaragua / Ethiopia

A juicy candied red apple that slowly melts into Asian plum. A juicy lime acidity on a medium body is complimented with subtle complexity to showcase the unique sweetness of the blend.

ANTITHESIS (decaffeinated)

Columbia / Excelsor

Using a natural way to decaffeinate coffee, the coffee is stripped of 99% of caffeine and loses NONE of its flavour. This way the coffee allows for deep, bold taste profile with chocolate and caramel notes.
