

FARMHOUSE

Food From Farmhouses all over the world

The Farmhouse Restaurant opened its doors on the 11th of October 2004. The building itself strongly reminds of a farmhouse and being surrounded by shadow trees, reveals a restful and farmy look.

Two trees were also planted at the rear entrance of the Restaurant, their names being Wilhelmina and Jacoba. "THE FARMHOUSE" has the name that spoke to the original owners, Christo and Lizette Franken, and the theme was taken throughout the whole business. Now also offering traditional meals from all over the world.
